

Bumping Options Form

In concert with your layoff notice and in accordance with your rights under collective bargaining, you have the following lateral bumping options. If you chose not to rank any lateral bump options and instead wish to rank your bump down options (options in lower titles) please contact Marianne Dill, Director of Labor Relations at (617) 348-5602 and arrangements will be made to get you the bump down options you are entitled to. To exercise your rights you must deliver this form to Gene Rivers, Employment Services Manager, Mass Hospital School.

Failure to select bumping options or respond to this notice will result in termination of employment in accordance with the date identified in your layoff notice.

In order to fully exercise your bumping options you must clearly identify, by numbering in priority order, those titles and positions, including vacancies, to which you are fully willing to accept employment and for which you are qualified. Bumping options presented to you are based upon seniority only. Begin with the number 1 as your highest priority and continue to number using numbers 2, 3, 4, etc, until you identify all bumping options you are willing to accept.

For additional clarification regarding actual hours, days off and unit location you may contact Gene Rivers, Employment Services Manager, Mass Hospital School. He can be reached at (781) 830-8311.

Options for - Garry Greer

Lab Supervisor II

Dept. Seniority Date - 11/25/1978

Empl. ID - 120562
